Young Scientists Travel Grant

To enable a broad participation of young scientists and students the ISOBM supports travel grants for a limited number of young scientists (max 35 years old) who submit abstracts with excellent study results that will be reviewed by the scientific committee of the conference.

Preconditions for travel grant applications are:

- Age max 35 years
- Abstracts with excellent study results
- Recommendation letter from the heads of their Institutes
- Application until 1st of August 2017

Travel grants include

- Air ticket (economy class)
- Hotel costs
- Registration fee

With best regards,

Dr. Rafael Molina
President of the ISOBM

Prof. Adagmar Andriolo
President of the ISOBM Conference
